

# DISCLAIMERS

FETCH with HyrdoFX is a Sub-Brand of SevenPoint2, LLC.

FETCH with HydroFX is not intended to be used for the curing of diseases or serious physical ailments experienced by your pet.

Statements made on this website have not been evaluated by the Food and Drug Administration.

There are no guarantees regarding income in the FETCH/SevenPoint2® opportunity. The success or failure of each Associate, like in any other business, depends upon each Associate's skills and personal effort. SevenPoint2® reserves the right to implement changes to the compensation plan as needed for the benefit of the Associates and the Company. Every effort will be made to give 30 days advance notice of changes.

This information is provided for general information purposes. Any information provided is not veterinary advice and should not be substituted for a regular consultation with a veterinary professional. If you have any concerns about your Dogs health, please contact your veterinarian immediately.
